Why Charter Members Love Band

"The level of this band just continues to grow. I have made some great friends, continue to be challenged at new levels, and continue to love 'making music'. ... Mindy Burns

"There are people from all walks of life, many different occupations, ages, lifestyles, but when we play in this band, we are one. We all understand each other through music."
...Brenda Totzke

"I enjoy the rehearsals the most. I like being surrounded by the music and hearing all the parts come together."...Betty Meyerink

"Music is in my blood and has always been a big part of my life. I thoroughly enjoy participating in a band setting." ... Cheryl Hoge Schadler

"There is no greater thrill to me than playing on the mainstage. Standing there seeing 800 or so people giving a standing ovation for our performance is unbelievable." ...Jack Totzke

"It doesn't seem like it's been 15 years. I'll continue to play as long as I enjoy it and can still read the music." ...Barbara Zelmer
