From Our Director:

As the Spring season approaches, it's time to prepare for the Southshore concert scheduled for April 21st at 2:00 pm on the Mendel Mainstage. This year is going to be an adventure around the world as we present "Places to Go; People to See; Things to Do."

We'll begin our world journey right here in America by kicking back with some Jimmy Buffett before heading across the Atlantic. After stops in Ireland, England, and Spain, we'll reach our main destination in Italy. With the help of our **guest artist, trumpeter Bill Skiba**, we will attend the "Carnival of Venice."

Mr. Skiba is a native of our area having grown up in Bridgman. He currently resides in Virginia with his family. He studied trumpet at WMU and U of M before serving as a career member of the US Army as a member of the nationally renowned Old Guard Fife and Drum Corps. His trumpet virtuosity will be on full display.

We definitely have a few other stops planned on our tour, including a trek across the sands of Arabia, a layover on the island of Bora Bora and some Godzilla stomping in Las Vegas.

Don't miss it! We have Places to Go, People to See and Things to Do!

See you in the audience!
